Carlisle Green Room Club has been an amateur theatre in the city since 1951, and operates on a totally voluntary basis. We are keen to recruit new members who wish to take an active role in the club. There are opportunities for performing or directing on stage, helping through stage management and technical work, such as lighting, sound, set building and painting, as well as helping with our wardrobe.

If you are not interested in helping with the production side, perhaps the hospitality side would be of interest. You could help in the *Cellar Bar* by serving drinks, or Front of House by selling programmes or showing the audience to their seats.

If this would be too much, why not become a Patron? That way you can keep in touch through our newsletters, and benefit from priority bookings.

If you are interested, please indicate your preferences on this form, and return it to our Membership Secretary or visit our website www.carlislegreenroom.uk where you can join online and find out more about us
