Carlisle Green Room Club Limited

Registered Charity 516695

Carlisle Green Room Club has been an amateur theatre in the city since 1952, and as a charity we operate on a totally voluntary basis. We are keen to recruit new members who wish to take an active role in the club. There are opportunities for performing or directing on stage, helping through stage management and technical work, such as lighting, sound, set building and painting, and wardrobe.

If you are not interested in helping with the production side, perhaps the hospitality side would be of interest. You could help in the *Cellar Bar* by serving drinks, or Front of House by selling programmes or showing the audience to their seats.

If this would be too much, why not become a Patron? That way you can keep in touch through our newsletters, benefit from priority bookings, and have full use of the Club's facilities etc.

Upon receipt of your completed application form and payment, you will receive a membership card and welcome pack. This will give details about how to contact the various departments

If you are interested, please indicate your preferences on this form, and return it to our Membership Secretary at the Theatre or visit our website [www.carlislegreenroom.uk](http://www.carlislegreenroom.uk) where you can join online and find out more about us.
